

If you want to give prospective members a little sample of the oils but do not want to give them a whole bottle here is the solution. **Abundant Health 4 u** has developed sample cards that are very reasonably priced. Each bottle holds about 30 drops of oil. One 15 ml bottle of Young Living Essential Oil normally has about 250 drops. This allows you to make 8 or 9 sample bottles out of one 15 ml bottle. That way your potential member can actually take the essential oil home and try it.

Here is what the card looks like:

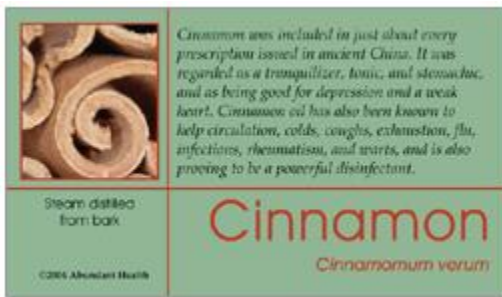

Oil Bottle Sample Cards Available:

- Frankincense
- Lemon
- Joy®
- PanAway®
