## Opening 3 Liner Sentences for Sharing with Friends

1. (Friend's name) June, you know me, I am a cautious person! I, though, know something that if you knew, you would love me forever! May I tell you what I am up to?!
2. Bob, I am up to sharing with you what financial gains I am making with an incredible company. I got my future in my own hands! Can I tell you about it? 10 minutes buddy! Just 10 minutes it takes!
3. Richard! I am up to something BIG financially that is sound and stable. I am seeing my financial future strong. Would love to tell you what I am doing! 6-8 minutes it takes to share:
4. Dan. I have invested in a company that has invested in my finances. I can see that in 2 years I will be making \$3000 a month along with my steady job now, with the sky the limit to make more in a safe plan. I want to share with you what I am up to. It takes 7 minutes.
5. Jane, you tending other people's children when they have to work, is making you work! It must be exhausting for you! What if I could show you a plan that would bring all those mothers home to tend their own children, and you both make money for yourselves, *so that none of you have to work out of your home!!!* I can show you this in 7 minutes.
6. Dr. Edwards, I bet being a chiropractor is wonderful, but finding new patients is a constant worry. You get your patients well, and they don't need you anymore. I can show you a way to have extra, steady income

coming in, that will also bless you with the products that will help your patients, *and* provide you with income to take away the worries on the down days in your business!

7. Nurse: I'll bet taking care of patients is always a risk of picking up what disease they have! Do you wish sometimes you could stay home and just take care of your family instead of others full time? I have discovered a way for me to stay home and be with my family more. I would like to share with you what I am doing. It may bless your life, too!
8. Bob and Chris.....we need more retirement for our lives. Dick and I have discovered a company that is paying us for buying some products we use every day, and they are paying us for using them! Can I tell you more?
9. Lindsey, life is never a sure thing! I have overcome my troubles that have affected me on a daily basis financially. I think this might be a possible and viable help for you, too. I would love to share with you how I am increasing my financial base. It is giving me great strides towards my financial freedom.
10. Shiela, I am so sorry that your daughter's disease is progressing and you need to stay at home. How are you making it without the extra income? (listen to the troubles) Perhaps what I am doing, could be a lifesaver for you, like it is helping our family, financially.
11. Linda, I didn't know you weren't getting your divorce settlement from your X. Why isn't he paying you? Oh, my! Perhaps what I am doing would be a life saver for you, too.
12. Joan, you have no health insurance that you can afford? Neither do I have enough!!! My doctor is costing me big bucks, for he has gone off the grid cause the insurance companies insist he uses their drugs. I found a way to afford him! I'm making extra money from home. It has been so successful I am sticking with the plan of doing it forever! Can I share what I am up to?

13. I just bought me our family car and paid cash for it. (It blew my husband away!) Then I bought new furniture without a loan and my husband fell over in shock. Then I showed him what I was up to and he jumped for joy! And now he is telling his friends he has a “smart wife!” Ha! I’m going for more. Wanna know what I am doing?!!
14. Sometimes being an artist truly means “Starving artist!” it is too bad that some of our greatest talents, are not appreciated and we are not paid for it. But we love our craft so much we think it is worth the sacrifice to live on less. I am a floral designer but the competition is great so I took another avenue to make financial gains in my life. It was not hard at all and now I am making an extra \$2000 a month. Now I design and pay my bills, too!
15. With John and my 5 children, we worry how we are going to help them for their college expenses in a few years. They won’t be able to pay for it totally on their own. My friend introduced us to a company that gave them money to buy products that they already use and it is not pennies they earn. We can see that we can be making over \$2000 to \$3000 a month for their future. Wanna know what we have learned?!
16. Jared, I’ll bet your night job working at Stouffer’s is a real killer for ya. I hear you coming home each night at 3 AM. What if I shared with you what Jill and I are doing to ease our finances? In three years, I am quitting my job and retiring at 46! I can show you what we are doing in 7 minutes! It is almost too easy, to believe, but the company is strong, 25 years old and in the black financially.
17. Paul, that car accident busted up your neck and you will be out of work for a year? You have to get a new job and you lost your present one over it? Wow. Maybe it is time to share with Susie and I are doing to be free of bosses and dependency of others to thrive. When you are feeling better let me tell you what we are doing. It takes 7 minutes.

18.This inflation is killing us. We keep cutting our buying to pay our bills in retirement but we still need to buy day to day products. Our friends shared with us what they are doing. They are making an extra \$1000 a month buying products they use from this one company and this company is paying them for advertising for them! We decided to do it, too!
